

Champion Collaboration & Awe-Inspiring Achievements

Connect with key influencers and decision-makers. Cultivate deep loyalty with existing users and new opportunities with prospective buyers. Champion your brand, your customer successes, and your contributions to these combined accomplishments. Become a sponsor of ongoing annual collaborations throughout the world. Join fellow members and bring the community together to explore emerging domains, and cutting-edge disciplines and share in-depth insights on HPC and AI, the innovative research, techniques, tools, and technologies fueling economies, productivity, and progress globally.

Two economical options are available to support the conference.

HPC-AI UK Workshop, October 13-14, 2026 (Mattioli Woods Welford Road Stadium, Leicester)

Select one
